Mental Health Affirmations

♡ Encouraging Words for My Mind, Heart & Healing ♡

- ♡ I am enough exactly as I am.
- ♡ My feelings are valid and deserve to be heard.
- ♡ I am doing the best I can, and that is enough.
- ♡ I choose to be patient and kind with myself.
- ♡ I release what I cannot control.
- ♡ I deserve rest, peace, and self-care.
- ♡ I can learn, grow, and heal from my past.
- ♡ I can calm my mind and find peace.
- ♡ I am stronger than my challenges.
- ♡ Healing is a journey, and I am making progress.
- ♡ I have the strength to get through hard days.
- ♡ I am capable of managing my emotions.
- ♡ I am surrounded by support, love, and positivity.
- ♡ I choose hope and believe in brighter days.

♡ I Am Still Healing, Still Growing, And Still Me. ♡

♡ Happy Chemicals ♡

Get Your Daily D.O.S.E.

♡ Simple, Everyday Ways to Boost Your Mood, Reduce Stress & Feel Better ♡

♡ Dopamine ♡

The Motivation & Reward Chemical

Helps you feel focused, motivated, and accomplished.

Boost Your Dopamine By:

- ✓ Check off a to-do list item
- ✓ Set and reach a small goal
- ✓ Do something creative (journal, craft, color, or a hobby)
- ✓ Listen to music you enjoy
- ✓ Treat yourself for progress

♡ Oxytocin ♡

The Connection & Bonding Chemical

Helps you feel loved, supported, and emotionally connected.

Boost Your Oxytocin By:

- ✓ Spend quality time with loved ones
- ✓ Give or receive a hug (or a kind word)
- ✓ Do something kind for someone else
- ✓ Connect with a pet
- ✓ Express appreciation or gratitude

♡ Serotonin ♡

The Mood & Calm Chemical

Helps regulate your mood, reduce anxiety, and bring a sense of well-being.

Boost Your Serotonin By:

- ✓ Get natural sunlight (even 10–20 minutes)
- ✓ Practice gratitude (write 3 things daily)
- ✓ Spend time in nature
- ✓ Do something that brings you peace (read, pray, or meditate)
- ✓ Keep a consistent sleep routine

♡ Endorphins ♡

The Natural Pain & Stress Reliever

Helps reduce pain, lower stress, and create a feeling of joy or a "natural high."

Boost Your Endorphins By:

- ✓ Get moving (walk, stretch, dance, or exercise)
- ✓ Laugh (watch a funny movie or comedy show)
- ✓ Do a favorite activity you truly enjoy
- ✓ Try deep breathing or relaxation techniques
- ✓ Listen to uplifting music

♡ Why Happy Chemicals Are Important ♡

They work together to improve your mood, increase motivation, reduce stress, support emotional balance, boost resilience, and help you feel happier, healthier, and more in control of your well-being.

Common Mental Health Symptoms

♡ Anxiety • Depression • PTSD ♡

Anxiety

A feeling of excessive worry, fear, or nervousness that can be hard to control.

Common Symptoms

- ☑ Excessive worry or "what if" thinking
- ☑ Feeling on edge or restless
- ☑ Racing thoughts
- ☑ Physical tension (muscles, jaw, shoulders)
- ☑ Trouble concentrating
- ☑ Changes in sleep (trouble falling or staying asleep)
- ☑ Increased heart rate or feeling short of breath

Depression

A persistent feeling of sadness, emptiness, or loss of interest in things you once enjoyed.

Common Symptoms

- ☑ Ongoing sadness or low mood
- ☑ Loss of interest in favorite activities
- ☑ Feeling hopeless or overwhelmed
- ☑ Low energy or fatigue
- ☑ Changes in appetite (eating more or less)
- ☑ Difficulty concentrating or making decisions
- ☑ Feelings of worthlessness or guilt

PTSD

A trauma-related condition that can occur after experiencing or witnessing a distressing or life-threatening event.

Common Symptoms

- ☑ Recurring, unwanted memories or flashbacks
- ☑ Nightmares or sleep disturbances
- ☑ Feeling constantly on guard or easily startled
- ☑ Irritability or anger outbursts
- ☑ Avoiding places, people, or reminders of the trauma
- ☑ Emotional numbness or feeling detached
- ☑ Difficulty trusting others or feeling safe

Remember:

These are common symptoms, not a complete list, and experiences can look different for each person.

Breathing Techniques

♡ Four Simple Ways to Calm Your Mind & Body ♡

♡ Box Breathing ♡

Find Focus • Reduce Anxiety • Regain Control

♡ 4-7-8 Breathing ♡

Promote Relaxation • Ease Stress • Support Better Sleep

1. Inhale for 4 counts
2. Hold for 7 counts
3. Exhale for 8 counts
4. Repeat 4 times

♡ Alternate Nostril Breathing ♡

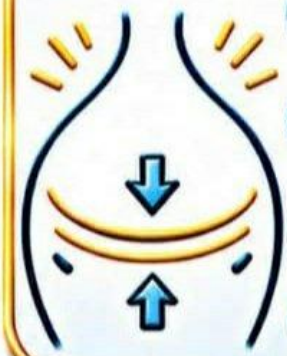

Restore Balance • Improve Focus • Calm the Mind

1. Close one nostril and inhale (4 counts)
2. Close the other nostril and exhale (4 counts)
3. Inhale through the open nostril (4 counts)
4. Alternate for 5–10 rounds

♡ Belly (Diaphragmatic) Breathing ♡

Reduce Tension • Lower Stress • Increase Calm

1. Place one hand on your chest and one on your belly.
2. Inhale slowly through your nose (feel your belly rise).
3. Exhale slowly through your mouth (feel your belly fall).
4. Repeat for 5–10 breaths.

A Letter to Myself

♡ A Heartfelt Note for My Healing Journey ♡

Dear Me, ♡

I'm writing this letter to remind you just how strong, resilient, and courageous you are. You've been through a lot, faced challenges, and carried responsibilities that were not always easy. Yet, here you are — still standing, still healing, still growing, and still choosing to keep going.

♡ You are doing the best you can, and that is enough. ♡

Healing takes time, and it's okay to move at your own pace. It's okay to have hard days. It's okay to feel your emotions. It's okay to rest, reset, and ask for support. You are human, and you are allowed to be a work in progress.

♡ I Am... ♡

- ☑ Stronger than I give myself credit for.
- ☑ Capable and resourceful.
- ☑ Resilient through every season.
- ☑ Worthy of love, peace, and happiness.
- ☑ Enough — exactly as I am.

♡ I Will Continue To... ♡

♡ Be kind to myself. ♡ Celebrate my progress. ♡ Set healthy boundaries. ♡ Choose peace over perfection.
♡ Keep showing up for my healing.

♡ A Gentle Reminder: ♡

Your feelings are valid • Your story matters • Your healing is important
You are enough • And there is still so much good ahead for you.

I Believe In Me ♡
